Deserted

Blind Melon

Grab my knee and look at me
And try to tell me, I'll be home soon
Asleep in my bed and unstoned
I'm tired of me this wayI don't know what I've gotten into
But I'm glad that it's now instead of sooner
This desert heat has crowded me strong
With a wish I had for winterIt's not as gentle as it sounds
As though it sounded yesterday
When I heard a leaf of my life hit the ground
And as a bottle cap flew from my fingersI don't know what I've gotten into
But I'm glad that it's now instead of sooner
This desert heat has crowded me strong
With a wish I had for winterAnd the sand blew in my eyes
I stood on the edge and looked down to see
The light of a new life
Shining upon meI don't know what I've gotten into
But I'm glad that it's now instead of sooner
This desert heat has crowded me strong
It's crowded me strong
With a wish that I had
With a wish I hadSand blew in my eyes
Sand blew in my eyes
Sand blew in my eyes
