

Love Me For Me

Zoegirl

La da da da
La da da da
La da da da da da da da
La da da da
La da da da
La da da da da da da da Spotlight glaring down
Silence from the crowd
The circus is just beginning
I tremble, looking around
And I would hate to fall and hit the ground
In front of all these people
That wouldn't be pleasant So the music plays
And the trapeze sways
And my heart is beating faster
But all I hear is laughter
From the crowd
'Cause they see right through my gaze Would you please tell me
What I gotta be
For you to want me
For you to want me, yeah
'Cause I am
Just trying to understand
Why you don't love me
Why you don't love me for me There is someone who loves you for you I keep lying to myself
Trying to be somebody else
In front of all these people
I feel really foolish
And when the main attraction at the masquerade
If I keep goin' like this, I'm gonna go insane
Is this circus act all I'll ever be? Yeah Would you please tell me
What I gotta be
For you to want me
For you to want me, yeah
'Cause I am
Just playing a losing hand
If you don't love me
If you don't love me for me There is someone who loves you for you God loves you and me
Let me tell you it's the kind of love that's given free
And it doesn't fake

And it doesn't flake
And it doesn't play those games
God loves me and you
Let me tell you it's the kind of love it's real, it's true
And it doesn't lie
And it's doesn't cheat
After it takes you off your feet So just tell me
What I gotta be
For you to want me
For you to want me, yeah
'Cause I am
Just trying to understand
Why you don't love me
Why you don't love me for me Tell me
What I gotta be
For you to want me
For you to want me, yeah
'Cause I am
Just playing a losing hand
If you don't love me
If you don't love me for me La da da da
La da da da
La da da da da da da da
La da da da
La da da da
La da da da da da da da La da da da
La da da da
La da da da da da da da
La da da da
La da da da
La da da da
La da da da da da da da God is someone who loves you for you
