

Here Comes the Neighborhood

NOFX

I've got to get out of
I've got to get out of this hood
I've got to get out of this neighborhood
I've got to get out of it
Got to get out I've had enough, won't call their bluff
I'm not going to live in fear
Racism lives on both sides so
I'm gonna get the hell out of here Do you want crack?
Do you need smack on the track?
Do you want grass?
Smoke hash you white trash? You better watch out
You better watch out
You better watch out I've got to get out of
I've got to get out of this hood
I've got to get out of this neighborhood
I've got to get out of it
I've got to get out of it I've got to get out of this neighborhood
I've got to get out of this neighborhood
I've got to get out
I've got to get out I've had it up to here
I'm not gonna live in fear
They're the ones who are racist
Why can't they just let me be? Do you want crack?
Do you need smack on the track?
Do you want grass?
Smoke hash you white trash? You better watch out
You better watch out I've got to get out of this neighborhood
I've got to get out of this neighborhood
I've got to get out of it
I've got to get out of it
