How High the Moon

Mandy Harvey

Somewhere there's music
How faint the tune
Somewhere there's heaven
How high the moon
There is no moon above
When love is far away too
Till it comes true
That you love me as, I love youSomewhere there's music
It's where you are
Somewhere there's heaven
How near, how far
The darkest night would shine
If you would come to me soon
Until you will, still my heart
How high the moon
Somewhere there's music
How faint the tune
Somewhere there's heaven
How high the moon
There is no moon above
When love is far away too
Till it comes true
That you love me as, I love you
Somewhere there's music
It's where you are
Somewhere there's heaven
How near, how far
The darkest night would shine
If you would come to me soon
Until you will, I still my heart
How high the moon
Until you will, I still my heart
How high the moon
Until you will, I still my heart
How high the moon
