

Do Your Father Proud

Pete Krebs

Don't you know that you're
Bound to lose again
Content under pressure to the
End
Turning a key unlocks the door
Hopelessly
Beginning to hate your
Reflection
So put put him on a pedestal
To do your father proud
And always take your medicine
Just like he tells you how
Hey it's your son
And I'm losing my faith because
You're looking up above
To solve my problems
Walking around
A cemetery lost and found
Please don't tell me how
You're gonna save me
And I'm the one
You should remember
Well, because
I learned how to run
In your shadow
You spun and you swerved
Cowardice is not the word
Just what you deserved
For your troubles
