# The End Is Near

## The Fiery Furnaces

The end is near
The end is near, the time has come
There ain't no way
Nobody will save you nowThe end is near
The end is near, the time has come
Don't even think
That there's a way out of thisDown the road and up the creek, it's over
It's such a clear and certain hell of a thing, it's overYou're on your own
You're on your own, once upon a time
The other night
You couldn't do nothing right"I'm on my own"
You said to yourself down on your
Luck. Woe is me
Etc. Lonely, seeThe worst times weren't so bad compared to this, though
That ain't much comfort, I might try to reminisce, noThe end is near
The end is near, the time has come
Don't even think
That there's a way out of thisThe end is near
The end is near, the time has come
There ain't no way
There's nothing will save us now
