For The First Time

Kangta (ê°•íƒ€)

Are those your eyes?
Is that your smile?
I've been lookin? at you forever
Yet I never saw you before
Are these your hands
Holdin' mine?
Now I wonder how
I could've been so blind
For the first time
I am looking in your eyes
For the first time
I?m seein' who you are
I can't believe how much I see
When you're lookin? back at me
Now I understand what love is
Love is for the first time
Can this be real?
Can this be true?
Am I the person I was this morning?
And are you the same you?
It's all so strange
How can it be?
All along this love
Was right in front of me
For the first time
I am looking in your eyes
For the first time
I?m seein' who you are
I can't believe how much I see
When you're lookin? back at me
Now I understand what love is
Love is for the first time
Such a long time ago
I had given up on findin'
This emotion ever again
But you?re here with me now
Yes, I've found you some how
And I've never been so sure
And for the first time

I am looking in your eyes
For the first time
I?m seein' who you are
I can't believe how much I see
When you're lookin? back at me
Now I understand what love is
Love is for the first time
