

Need

At the Gates

Because of my love for all living things

I choose to die

Open me, with your kiss of steel

End my pain, set me free For we are enslaved, forever enslaved Open me, with your kiss of steel

End my pain, set me free

Live only to die some more

Need, killing yourself to live For we are enslaved, forever enslaved Lay your fears to rest, let your dreams awake

For we are enslaved, forever enslaved

Lay your hate to rest, open me
