Hunters and Collectors

Can

Hunters and collectors all come out at night
Hunters and collectors never see the light
Hunters and collectors all come out at night
Hunters and collectors never see the lightHey, midnight man, the watcher
It will all be up before the sun is up
And it will all be done before the moon goes downAnd they will shoot, don't crush
All I can, don't crushHunters and collectors all come out at night
Hunters and collectors never see the light
Hunters and collectors all come out at night
Hunters and collectors they'll never see the light
Thirty leather kids on the gang bang trail
Get your big brown man with the snakes in bed
Dirty bother me now, it soaks into a cup
She says "If you don't start at all you never have to stop."The watcher(Hunters and collectors
Hunters and collectors
Hunters and collectors
Hunters and collectors)(Hunters and collectors
Hunters and collectors)
The watcher
(Hunters and collectors
Hunters and collectors)
From the darkness
Hunters and collectors all come out at night
Hunters and collectors never see the light
Hunters and collectors all come out at night
Hunters and collectors never see the light
Hunters and collectors all come out at night
Hunters and collectors never see the light
Hunters and collectors all come out at night
Hunters and collectors never see the lightOoh, midnight man
