

It Doesn't Have to Be That Way

[Jim Croce](#)

Snowy nights and Christmas lights
Icy window panes
Make me wish that we could be
Together again
And the windy winter avenues
Just don't seem the same
And the Christmas carols sound like blues
But the choir is not to blame But it doesn't have to be that way
What we had should have never have ended
I'll be dropping by today
'Cause we could easily get it together tonight
It's only right Crowded stores, the corner Santa Claus
Tinsel'd afternoons
And the sidewalk bands that play their songs
Slightly out of tune
On the windy winter avenues
There walks a lonely man
And if I told you who he is
Well, I think you'd understand But it doesn't have to be that way
What we had should have never have ended
I'll be dropping by today
'Cause we could easily get it together tonight
It's only right
