

Rocky Balboa

Scouting for Girls

This ain't over, this ain't over
yeah yeeaaaah yeeaaaah
yeah yeeaaaah yeeaaaah I've nothing left, nothing left to do
But hang around trying not to think about you
Over and over and over it again
Unlike you and me this'll never end It's the last five minutes of the last five years
Rabbit in a hat, you just went and disappeared
Now i'm broken
Hoping you were just joking
Cause when you left you ripped me wide open Let go, let go
You can knock me down
Let go, let go
But you can't count me out Never gonna give you up
Have you seen Rocky Balboa?
We can make a comeback
I know we ain't over
Never gonna give you up
Have you seen Rocky Balboa?
We can make a comeback
I know this ain't over So here I am, arms still on the floor
I know I've sung this song a thousand times before
But I can't get over the fact that you're gone
I never will and I can't move on It's the last five minutes of the last five years
Rabbit in a hat, you just went and disappeared
Now i'm broken
Hoping you were just joking
Cause when you left you ripped me wide open. Let go, let go
You can knock me down
Let go, let go
But you can't count me out Never gonna give you up
Have you seen Rocky Balboa?
We can make a comeback
I know we ain't over
Never gonna give you up
Have you seen Rocky Balboa?
We can make a comeback
I know this ain't over Sound the bell I'm getting back in the ring
Come do your worst I want to feel everything
I'll take the punches, take the left and the right

I'm not a soldier but I'm ready to fight
She needs me, she tease me
She hold me, she leave me
She love me, she steal me
She have me, she leave me
Never gonna give you up
Have you seen Rocky Balboa?
We can make a comeback
I know we ain't over
Never gonna give you up
Have you seen Rocky Balboa?
We can make a comeback
I know we ain't over
Never gonna give you up
Have you seen Rocky Balboa?
We can make a comeback
I know this ain't over
This isn't over
This isn't over, I know i'll get closer
