

# The Thin Line Between Love And Hate

Annie Lennox

It's a thin line between love and hate  
It's a thin line between love and hate  
It's five o'clock in the mornin' and you're just gettin' in  
You knock on the front door and a voice sweet and low says, who is it?  
She opens up the door and lets you in  
Never once asks where have you been  
She says "Are you hungry? Did you eat yet?  
Let me hang up your coat, pass me your hat"  
All the time she's smilin', never once raises her voice  
It's five o'clock in the mornin' and you don't give it a second thought  
It's a thin line between love and hate  
It's a thin line between love and hate  
It's a thin line between love and hate  
It's a thin line between love and hate  
It's a thin line, yes, it is between love and hate  
Sweetest woman in the world  
Could be the meanest woman in the world if you make her that way  
You keep hurting her, she'll keep being quiet  
She might be holdin' somethin' inside  
That'll really, really hurt you one day  
I see her in the hospital bandaged from foot to head  
In a state of shock just that much from bein' dead  
You couldn't believe the girl would do somethin' like this  
You didn't think the girl had the nerve  
But here you are, I guess, action speaks louder than words  
It's a thin line between love and hate  
It's a thin line between love and hate  
It's a thin line between love and hate  
It's a thin line between love and hate  
It's a thin line, yes it is between love and hate  
It's a thin line between love and hate
