

# Survive (Marius De Vries Mix)

## David Bowie

Oh my, naked eyes  
I should have kept you  
I should have tried  
I should have been more wiser  
Kind of guy  
I miss youGive me wings  
Give me space  
Give me money for a change of face  
Those noisy rooms and passion pants  
I loved youWhere's the morning in my life?  
Where's the sense in stayin' right?  
Who said time is on my side?  
I've got ears and eyes and nothing in my lifeBut I survive your naked eyes  
I'll surviveYou alone across the floor  
You and me and nothing more  
You're the great mistake I never made  
I never lied to you  
I hated when you liedAnd I'll survive your naked eyes  
I'll survivePeople boys, all snowy white  
Razzle dazzle clubs every night  
Wished I had sent a Valentine  
I loved youI'll survive  
Naked eyes  
I'll surviveI'll survive  
My naked eyes  
I'll surviveI'll survive  
Naked eyes  
I'll surviveI'll survive  
I'll survive
