## Imogen Heap

Baby behave, we'll make it work  
Baby behave, we'll make it work  
Baby behave, we'll make it work  
Baby behave, we'll make it workBaby behave, we'll make it work  
Baby behave, we'll make it work  
Baby behave, we'll make it work  
Baby behave, we'll make it workYou're not golden and I'm getting tired  
Act like you own the place when really you've only just arrived  
I caught first glimmers in hides and skins  
Look who's all grown up, black swanning about the solar windsYou're gonna lose it all and find yourself on  
your knees  
So get a grip and you might flow, reverse the great slow bleed  
I've tried patience but you always want a war  
This house won't tolerate anymoreStop this right away  
Put that down and clean this mess up  
End of conversation  
Put your back in it and make it up to me nowThe cold shoulder folded arms and looking up  
You've never listened, carry on careless regardless  
This is not a fire drill and if we hold any hope  
It's harmonic connection and stereo symbiosisThese Legoland empires choking out my now  
You're everywhere, everywhere multiplying around me  
Child, a strain on my heart  
This rock can't tolerate anymoreStop this right away  
Put that down and clean this mess up  
End of conversation  
Put your back in it and make it up to me nowBaby behave, we'll make it work  
Baby behave, we'll make it work  
Baby behave, we'll make it work  
Baby behave, we'll make it workBaby behave, we'll make it work  
Baby behave, we'll make it work  
Baby behave, we'll make it work  
Baby behave, we'll make it workYou're only what you give back  
You're only what you give back  
You're only what you give back  
You're only what you give backStop this right away  
Put that down and clean this mess up  
End of conversation  
Put your back in it and make it up to me nowStop this right away

Put that down and clean this mess up

End of conversation

Put your back in it and make it up to me now  
Are you with me? Are you with me?  
You're only what you give  
back

You're only what you give back

You're only what you give back

You're only what you give back

You're only what you give back
