

# At Your Side

## The Corrs

When the daylight's gone and you're on your own  
And you need a friend just to be around  
I will comfort you, I will take your hand  
And I'll pull you through, I will understand  
And you know that  
I'll be at your side  
There's no need to worry  
Together we'll survive  
Through the haste and hurry  
I'll be at your side  
When you feel like you're alone  
Or you've nowhere to turn  
I'll be at your side  
If life's standing still and your soul's confused  
And you cannot find what road to choose  
If you make mistakes you won't let me down  
I will still believe I will turn around  
And you know that  
I'll be at your side  
There's no need to worry  
  
Together we'll survive  
Through the haste and hurry  
I'll be at your side  
If you feel like you're alone  
And you've nowhere to turn  
I'll be at your side  
I'll be at your side  
I'll be at your side  
There's no need to worry  
Together we'll survive  
Through the haste and hurry  
I'll be at your side  
If you feel like you're alone  
You've got somewhere to go  
'Coz I'm at your side  
I'll be at your side  
I'll be right there  
I'll be at your side

I'll be right there
