## Billie Joe + Norah

Kentucky  
You are the dearest land, outside of Heaven to me  
Kentucky  
I miss your laurel and your redbud trees When I die,  
I want to rest upon a graceful mountain so high  
For that is  
Where God will look for me Kentucky  
I miss the old folks singing in the silvery moonlight  
Kentucky  
I miss the hound dogs chasin' oooooonnn I know that  
My mother, dad and sweetheart are waiting for me  
Kentucky  
I will be coming soon  
Kentucky
