

Warm Shadow

[Fink](#)

What you got goin' on
Behind those eyes closed, holdin' on
I don't want another day to break
Take our, steal our night away
Warm shadow
Warm shadow
Won't you cast yourself on me
What you got in store for me
Keep those eyes closed, next to me

I don't want another day to break
Take our, steal our night away
Warm shadow
Warm shadow
Won't you cast yourself on me
Warm shadow
Warm shadow
Won't you cast yourself on me

Won't you stop breakin' in
Red sky, red light, awakenin'
I don't want another day to break
Take our, steal our night away
Take our, steal our night away
Take our, steal our night away
Take our, steal our night away
Take our, steal our night away
