

Ex-Straightedge-Ex

Good Clean Fun

I used to have a vegan girlfriend
She's not vegan anymore
Now that we're not dating she's my:
Ex-Vegan-Ex (Ex-Vegan-Ex) I used to have a straightedge girlfriend
She's not straightedge anymore
Now that we're not dating she's my:
Ex-Straightedge-Ex (Ex-straightedge-ex) I always felt really bad for the non-straightedge kids.
Not just because they were destroying their brains with drugs and alcohol, but because they never got to take
part in any of the good sing-a-longs. This is for them. I used to have a vegan girlfriend
She's not vegan anymore
Now that we're not dating she's my:
Ex-Vegan-Ex (Ex-Vegan-Ex)
