It's Love

Blossom Dearie

It's love, it's love
Well, who would've thought it?
If this is love then why have I fought it
What a way to feel I could touch the sky
What a way to feel I have found my guyIt's love at last I have someone to cheer for
It's love at last I've learned what I'm here for
I've heard it said, "You know it when you see it"
Well, I see it and I know it, it's loveIt's love, it's love
Well, who would've thought it?
If this is love then why have I fought it
What a way to feel I could touch the sky
What a way to feel I have found my guyIt's love at last I have someone to cheer for
It's love at last I've learned what we're here for
I've heard it said, "You know it when you see it"
Well, I see it and I know it, it's love
