

# It's Love

## Blossom Dearie

It's love, it's love  
Well, who would've thought it?  
If this is love then why have I fought it  
What a way to feel I could touch the sky  
What a way to feel I have found my guy It's love at last I have someone to cheer for  
It's love at last I've learned what I'm here for  
I've heard it said, "You know it when you see it"  
Well, I see it and I know it, it's love It's love, it's love  
Well, who would've thought it?  
If this is love then why have I fought it  
What a way to feel I could touch the sky  
What a way to feel I have found my guy It's love at last I have someone to cheer for  
It's love at last I've learned what we're here for  
I've heard it said, "You know it when you see it"  
Well, I see it and I know it, it's love
