

# I'm Gonna Do My Thing

## Royal Deluxe

You're not the police  
You're not the president  
You're not the p-p-pope  
And it's evident So maybe you should let me be I'm gonna do my thing  
I'm gonna do my thing  
I'm gonna do my thing You're not my doctor  
You're not my hand to hold  
You're not the CIA  
I can't be bought and sold I'm gonna do my thing  
I'm gonna do my thing  
I'm gonna do my thing Can't you see that you cannot control the man I am  
I am not a puppet on your string  
So maybe you should check yourself before you tell me what you think of me  
If I'm too hot to handle baby  
Drop the heat  
Cause this is me I'm gonna do my thing  
I'm gonna do my thing  
I'm gonna do my thing  
I'm gonna do my thing  
I'm gonna do my thing  
I'm gonna do my thing  
I'm gonna do my thing  
I'm gonna do my thing  
I'm gonna do my thing  
I'm gonna do my thing
