Awesome God

Carman

In the begining god created the heavens and the earth because after that time the earth was without form and void and darkness was over the face of the deep but a phenominon was about to take place because the spirit of god was hovering over those waters thats why after all this time I can stand here and say
When He rolls up His sleevesHe ain't just putting on the ritzOur God is and awesome GodThere is thunder in His footsteps And lightning in His fistsOur God is an awesome GodThe Lord wasn't jokingWhen He kicked 'em out of EdenIt wasn't for no reason That he shed His bloodHis return is very closeAnd so you better be believing thatOur God is an awesome GodChorus:Our God is an awesome GodHe reigns from Heaven aboveWith wisdom power and loveOur God is an awesome GodAnd when the sky was starlessIn the void of the nightOur God is an awesome GodHe spoke into the darknessAnd created the lightOur God is an awesome GodJudgement and wrathHe poured out on SodomMercy and grace He gave us at the crossI hope that we have not Too quickly forgotten thatOur God is and awesome God
