

# Albatross

## Lock And Key

One last cup of starlight  
Before I wake and start my day  
A past so filled with promise  
Before I lost, I lost my way

Ah thatâ€™s ok, and Iâ€™m alright  
I guess Iâ€™ll be lost again  
For one more night  
Ooh and thatâ€™s alright, Iâ€™m ok  
I'll wear the albatross  
For one more day

[Solo]

As the past recalls the romance  
Before the bets and what you make  
I lost my friend in between them  
And that was more than I could take

Ah thatâ€™s ok, and Iâ€™m alright  
I guess Iâ€™ll be lost again  
For one more night  
Ooh and thatâ€™s alright, Iâ€™m ok  
I'll wear the albatross  
For one more day

[Solo]

Ah thatâ€™s ok, and Iâ€™m alright  
I guess Iâ€™ll be lost again  
For one more night  
Ooh and thatâ€™s alright, Iâ€™m ok  
I'll wear the albatross  
For one more day  
I'll wear the albatross  
For one more day  
I'll wear the albatross  
For one more day

And because I know I'm alright
