# When Things Explode (Feat. Ian Astbury)

## UNKLE

Your skull-fucked little lives
In shadows where you hide
A life that was designed
You've been cheated oh so blindYou laid it on the line
These twisted words of time
And how your spirit shines
I wish that you were mineYeah lately I know that I've been crawling
I know that I've been falling
Into your dreamImagine no more tears
Dissolving all your fears
With tooth and claw we fight
Into this endless nightYeah lately I know that I've been crawling
I know that I've been falling
Into your dreamI saw my tears in your eyes
You saw your fears in mine
We watched it burn together
Watched it burn togetherBurn yeah, burn watched it burn burn yeah burn
Watched it burn, burn watched it burn
Watched it burn, burn watched it burnAll is forgiven.
