

When Things Explode (Feat. Ian Astbury)

UNKLE

Your skull-fucked little lives
In shadows where you hide
A life that was designed
You've been cheated oh so blind You laid it on the line
These twisted words of time
And how your spirit shines
I wish that you were mine Yeah lately I know that I've been crawling
I know that I've been falling
Into your dream Imagine no more tears
Dissolving all your fears
With tooth and claw we fight
Into this endless night Yeah lately I know that I've been crawling
I know that I've been falling
Into your dream I saw my tears in your eyes
You saw your fears in mine
We watched it burn together
Watched it burn together Burn yeah, burn watched it burn burn yeah burn
Watched it burn, burn watched it burn
Watched it burn, burn watched it burn All is forgiven.
