

All of the Time

[Alex Chilton](#)

You know I shake like static, on a late-night TV
My thinking's in the attic, and it's no use to me
When I'm going to the drug store, just to pick up a script
As soon as I go out, forget what I'm about(WHY?) Because...All of the time, you're on my mind
You look so fine, all the time
Your eyes are smiling, all the timeI'm going to the studio, to record me a song
I dream of Rudy Valentino and how to lead you along,
And when I'm flying on an aeroplane up in the clouds
And I'm over 30, 000, baby floating around
(WHY?) Because...All of the time, you're on my mind
You look so fine, all the time
Your eyes are smiling, all the timeSi si, Chiquita Banana, she say "Wait til manana"
Radio station said be patient, but we can't wait that longGet this, now...
All of the time, you're on my mind
You look too fine, all the time
It's been too long, but I don't mind(All the time, all the time)
