

Broken Heart

Reckless Kelly

You're hiding from love
You see, you don't need it
But if that were true
You could take it or leave it Well, you gotta learn to walk
But you're afraid of fallin'
Off the line like a shot
Then it's back to crawling How can it stop if you won't let it start?
I build it up and you tear it apart
It's so hard to love a girl with a broken heart
I love a girl with a broken heart You still lickin' your wounds
And girl, you're no stranger
To blood, sweat and tears
And a heart scared from anger We got a love that you find
Maybe once in a lifetime
But you can't hide
From from a memory of the first time How can it stop if you won't let it start?
I build it up and you tear it apart
It's so hard to love a girl with a broken heart
I love a girl with a broken heart How can it stop if you won't let it start?
I build it up and you rip it apart
It's so hard to love a girl with a broken heart
I love a girl with a broken heart
