Never Listen to Me

The Thermals

follow my lights
follow my leads
never listen to me
never listen to mefall by my side
i only mean to deceive
never listen to me
never listen to mefollow my lights
follow my leads
never listen to me
never listen to mefall by my side
i only mean to deceive
never listen to me
never listen to mefollow the sound
follow me down
follow me downfollow me down
follow me downi'll give you all that i have
i'll tell you everything
love me all of my life
never listen to mei'll give you all that i have
i'll tell you everything
love me all of my life
never listen to mefollow my call
follow my voice
like you know me
like you know mefall in the sea
fall in the noise
like you know me
like you know mefollow my call
follow my voice
fall in the sea
fall in the noise
never listen to me
never listen to mefollow the sound
follow me down
follow me downfollow me down
follow me downi'll give you all that i have
i'll tell you everything
love me all of my life
never listen to mei'll give you all that i have

i'll tell you everything
love me all of my life
never listen to mei'll give you all that i have
i'll tell you everything
love me all of my life
never listen to me
never listen to me
never listen to me
