

Eternal Legs

Yello

Across the space
We fly around the world
For years, years, years, years, We're out of control
Inside an iron ball
Desire[Chorus]
We see the moon
A color ball
We won't be free again
No choiceAn iron box
Electric brain release
Away, away, away, awayA piece of steel
That's all we ever feel
No pain[Chorus]Desire
We see the moon
A color ball
We won't be free again
