Argument

Robots in Disguise

Picture the scene
Crowds circle over 2010
The robots are on tour again
In separate transport stay together for their art
A new album written continents apart
Flash back ten years back to the start
Back to the start
Back to the start
Gonna get you bitch
Gonna get you, bitch
Ah, shut up!
Shut up!
Shut up,
Fuck you
You are shit
You stink of it

Youâ€™re being pathetic
Youâ€™re gonna regret it
Iâ€™m hating you lately
I want my 3.80
Youâ€™re pulling that face in my space,
Same noises each day, rewind and press play
(Rewind and press play)
(Rewind and press play)

Youâ€™re being pathetic
Youâ€™re gonna regret it
Iâ€™m hating you lately
I want my 3.80
Youâ€™re pulling that face in my space,
Same noises each day, rewind and press play
(Rewind and press play)
(Rewind and press play)

You always
You never
You always
You never

You always, you never
You always, you never.

You always
You never
You always
You never
You always, you never
You always, you never.

Can you not
Canâ€™t you stop
Can you not
Canâ€™t you stop! Stop!
Can you not
Canâ€™t you stop
Can you not
Canâ€™t you stop! Stop!

Youâ€™re being pathetic
Youâ€™re gonna regret it
Iâ€™m hating you lately
I want my 3.80
Youâ€™re pulling that face in my space,
Same noises each day, rewind and press play
(Rewind and press play)
(Rewind and press play)

You always
You never
You always
You never
You always, you never
You always, you never.

You always
You never
You always
You never
You always, you never
You always, you never.

Can you not
Canâ€™t you stop
Can you not
Canâ€™t you stop! Stop!

Can you not
Canâ€™t you stop
Can you not
Canâ€™t you stop! Stop!

Canâ€™t you stop? Stop!

Ego a go-go
Headaches
We gotta act more pro
Yeah
Just think of the fans
Stop the soap
Letâ€™s break up
Make up
If we split weâ€™re just another ex-band
If you want it to last
Back to the start
Back to the start
If you want it to last
Back to the start
Back to the start
Back to the start
Back to the start
If you want it to last
Back to the start
Back to the start
Back to the start
If you want it to last.
