Unloved

Espen Lind

I bet you don't know how it feels
To be walking past your house at night
I bet you don't know how it feels
To stand outside and watch the lights

And I don't know why
I just can't seem to dry
The rain on my face
All the tears I've cried

I think of the day
When you pushed me away
What can I do when I still love you?

What can I do?
Where can I hide?
From all of these feelings I keep inside?
It's dark as can be
And you'll never see
Just what it's like to feel un..
What it's like to feel unloved

I bet you don't know how it feels
When your life flashes before your eyes
I bet you don't know how it feels
The moment when you realize
That you lost all you had
All that's good - all that's bad
And everyone tells you, you should be glad
Your love for me is gone
I should be moving on
And find someone new - but I still love you

What can I do?
Where can I hide?
From all of these feelings I keep inside?
It's dark as can be
And you'll never see
Just what it's like to feel un..

What it's like to feel unloved

If I could turn back time
If I could press rewind
Go back to the days when you were mine

What can I do?
Where can I hide -
From all of these feelings I keep inside?
It's dark as can be
And you'll never see
Just what it's like to feel un..
What it's like to feel unloved
