

# Change

## Plebs

And it's a sad picture, the final blow hits you  
Somebody else gets what you wanted again  
You know it's all the same, another time and place  
Repeating history and you're getting sick of it  
But I believe in whatever you do  
And I'll do anything to see it through  
Because these things will change, can you feel it now?  
These walls that they put up to hold us back will fall down  
It's a revolution, the time will come for us to finally win  
We'll sing hallelujah!  
We'll sing hallelujah! Oh  
So we've been outnumbered, raided and now cornered  
It's hard to fight when the fight ain't fair  
We're getting stronger now from things they never found  
They might be bigger but we're faster and never scared  
You can walk away and say we don't need this  
But there's something in your eyes says we can beat this  
'Cause these things will change, can you feel it now?  
These walls that they put up to hold us back will fall down  
It's a revolution, the time will come for us to finally win  
We'll sing hallelujah!  
We'll sing hallelujah! Oh  
Tonight we stood on our knees  
To fight for what we worked for all these years  
And the battle was long, it's the fight of our lives  
Will we stand up champions tonight?  
It was the night things changed, can you see it now?  
These walls that they put up to hold us back fell down  
It's a revolution, throw your hands up, 'cause we never gave in  
We'll sing hallelujah!  
We sang hallelujah!  
Hallelujah!
