

I'm Falling

The Babys

If I had the time to look hard at you
The things I know I'd find
The things I'd have to do
And sometimes I wonder Ooh, I'm falling
What else can I say
Ooh, I'm falling
Fading away If I had the peace of mind
Ooh I'd catch a plane and move away
Far away from you and the things you say
And sometimes I love ya Ooh, I'm falling
What else can I say
Ooh, I'm falling
Fading away If I had your dreams ooh, I'd have everything
Time has taken mine
And left me these songs to sing
And sometimes I wonder Ooh, I'm falling
What else can I say
Ooh, I'm falling
Fading away Can you see me
Feet off the ground?
Can you feel me
Head spinning around? Ooh, I'm falling
What else can I say
Ooh, I'm falling
Fading away
