

Slicin' Sand

Elvis Presley

Take off your shoes, put down your hair
Turn on the music and we'll get somewhere
Dance, dance, dance, 'til your nose gets tan
We're gonna have us a ball on the beach, a-slicin' sand
Hug me a heap, swing me a lot
We got a lot of ocean if it gets too hot
Baby, take my hand
We'll have some real rockin' fun in the sun, a-slicin' sand
Come baby, come
Let's dig some holes
You'll find it's heaven with sand on you soles
Yeah
Slide through to the left, slide to the right
Slash down the middle baby hold me tight
Baby, hold my hand
We'll have some real rockin' fun in the sun, slicin' sand
We'll have some real rockin' fun in the sun, slicin' sand
