

No Ordinary

Alle Farben

You can run
You can try and hide
Locked away inside the fortress mine
Safe up there, you can watch the world
Pass you by Feel the change
Beating like a drum
Stay forever young, you just begun
Don't pretend
That you want this life
Pass you by
Take it from me I think I'm ready
I think I'm ready to show that I'm no ordinary
I know I'm ready
I know I'm ready to go, oh oh oh I think I'm ready
I think I'm ready to show that I'm no ordinary
I know I'm ready
I know I'm ready to go, oh oh oh You can pray
You can walk the line
Even when you fall from time to time
On your knee
You can kiss the ground
Because this seating is made from glass And I know that no one's perfect
But everyone is worth it
To find what makes them special
Follow me
We can walk the road
Paradise
I wanna scream I think I'm ready
I think I'm ready to show that I'm no ordinary
I know I'm ready
I know I'm ready to go, oh oh oh I think I'm ready
I think I'm ready to show that I'm no ordinary
I know I'm ready
I know I'm ready to go, oh oh oh I know I'm ready
I know I'm ready to go, oh oh oh I know I'm ready
I know I'm ready to go, oh oh oh
