Don't Leave

Omarion

Don't leave me now, now that I've turned around
Don't leave me now
Cuz I finally figured it outDon't leave me now
Cuz you deserve to keep the
Man you made out of meI don't wanna fight, I don't wanna hurt
Don't want you to cry, I don't wanna do dirt no more
Don't give back the keys, don't walk out the door
Need you here with me, girl this love is worth fighting forDon't leave me
Don't leave me, no
Don't leave me
Don't leave me, noDon't leave me now
All the games that a nigga played done
Finally drove you away
Don't leave me now
Cuz I can do better, girl I can do better
So don't leave me now
You see I don't do you the same
I done fell off
Now you wanna walk away, baby hell nawI don't wanna fight, I don't wanna hurt
Don't want you to cry, I don't wanna do dirt no more
Don't give back the keys, don't walk out the door
Need you here with me, girl this love is worth fighting forDon't leave me
Don't leave me, no
Don't leave me
Don't leave me, noSay you 'bout to leave but what you going for?
You already know I ain't bout to let you roll like that
You be talking shit and I just go along
Even if you go, I know that you gone roll right back
She say that I don't listen
I do the big things but the little shit, I'm missing
She really just wanna fuck with a nigga, that's official
I promise that I'm tryin' to give you my last initial
Don't leave nowCuz I don't wanna go crazy
But you driving me there
Now you fucking with my ego
But baby I don't careI don't wanna fight, I don't wanna hurt
Don't want you to cry, I don't wanna do dirt no more
Don't give back the keys, don't walk out the door
Need you here with me, girl this love is worth fighting forDon't leave me

Don't leave me, no
Don't leave me
Don't leave me, no
