

Walk (Jess Delgado)

Foo Fighters

A million miles away
Your signal in the distance
To whom it may concern
I think I lost my way
Getting good at starting over
Every time that I returnLearning to walk again
I believe I've waited long enough
Where do I begin?
Learning to talk again
Can't you see I've waited long enough?
Where do I begin?Do you remember the days?
We built these paper mountains
Then sat and watched them burn
I think I found my place
Can't you feel it growing stronger
Little conquerorsLearning to walk again
I believe I've waited long enough
Where do I begin?
Learning to talk again
I believe I've waited long enough
Where do I begin?Now,
For the very first time
Don't you pay no mind
Set me free, again
To keep alive, a moment at a time
That's still inside, a whisper to a riot
The sacrifice, the knowing to survive
The first decline, another state of mind
I'm on my knees, I'm praying for a sign
Forever, whenever, I never wanna dieI never wanna die
I never wanna die
I'm on my knees, I never wanna die
I'm dancing on my grave
I'm running through the fire
Forever, whenever
I never wanna die
I never wanna leave
I'll never say goodbye
Forever, whenever

Forever, wheneverLearning to walk again
I believe I've waited long enough
Where do I begin?
Learning to talk again
Can't you see I've waited long enough?
Where do I begin?Learning to walk again
I believe I've waited long enough
Learning to talk again
Can't you see I've waited long enough?
