

# Take It from Here

## Latrice

Some times  
Some times the world gets hard  
I'll take it from here, girl  
Don't you worry  
I wanna be a lake for you, babe  
And any problems that you have I wanna wash 'em away  
I wanna be your sky, so blue and high  
And every time you think of me I wanna blow your mind  
I wanna be your air, so sweet and fair  
So when you feel that you can't breathe, ma, I'll be  
There  
I wanna be your answer of time  
When you see how I put your life before mine with no  
Question  
When all the love feels gone and you can't carry on  
Don't worry, girl, I'mma take it from here  
Just as sure as the sun will shine every mornin'  
Every time  
Don't worry, girl, I'mma take it from here  
I wanna hold your hands, review all your plans  
I wanna make sure every one of your dreams'll stand  
I wanna be your Broadway show on review (Why)  
So I could act how God was when he made you  
I wanna be your lighthouse when you get lost  
I'll light a bright and shiny path to help you across  
(Light the way for you, baby)  
I wanna be your mother, see what I see  
When you see that can't nobody hold you like me 'cause  
I love you  
When all the love feels gone and you can't carry on  
Don't worry, girl, I'mma take it from here (Take it  
From here, baby)  
Just as sure as the sun will shine every mornin'  
Every time  
Don't worry, girl (No, no, no, no), I'mma take it from  
Here  
And when there's no one there at home and you realize  
The world is cold  
Don't worry, girl, I'mma take it from here (That's

What I'm gonna do)  
Just as sure as the sun will shine every mornin'  
Every time (Don't you worry, baby, baby girl)  
Don't worry, girl (Baby girl), I'mma take it from here  
Give me one reason why we should not be leavin'  
This world is so deceivin', the time is now  
Let's fly away speedin' through the Garden of Eden  
Where all the sweet breathin' and love surrounds  
When all the love feels gone and you can't carry on  
Don't worry, girl, I'mma take it from here  
Just as sure as the sun will shine every mornin'  
Every time  
Don't worry, girl, I'mma take it from here  
Give me one reason why we should not be leavin'  
This world is so deceivin', the time is now  
Let's fly away speedin' (Fly away) through the Garden  
Of Eden  
Where all the sweet breathin' and love surrounds  
When all the love feels gone and you can't carry on  
Don't worry, girl, I'mma take it from here  
Just as sure as the sun will shine every mornin'  
Every time  
Don't worry, girl, I'mma take it from here  
Got something I wanna tell you, baby  
Now they always the way write books  
See, there's the good guys and also heartbreak crooks  
Your heart's the real one, just take a look inside  
'Cause there's a colorful illustrated guide  
So there you go  
To help you weather the storm  
I'll be there, mami  
No matter what time, no matter what place  
You could always count on me  
I'll take it from here
