

# Someone I Used To Love

**Jimmy Buffett**

All the days we've been together  
All the days we've been apart  
Add up to a bunch of nothing  
If I'm not still in your heart  
I never want you to be  
Just a page in my history  
Someone I used to love Your voice breathed in my ear  
Or on the telephone  
All the tender things we've whispered  
To keep from feeling alone  
May they never come to be  
Just cold gems set in memory  
Of someone I used to love This current flows between us  
That will not be denied  
You draw me in towards you  
Like the moon pulls at the tide  
May no shadow ever fall  
That will make me have to call
