

# Shadow of a Doubt

## Overkill

Give me your love  
Give me your money  
Give me your soul  
Let me have it honey All lined up, paint 'em red  
All lay down, praying me dead  
Here you go baby, it's a birthday surprise  
Best believe your eyes Cover them in roses  
Cover them in lies  
Dress them up in persecution  
Best believe your eyes Nothing you hear  
Half of what you're seeing  
Make myself clear  
Talk about believing Three, five, seven and a bottle of blood  
All went down to heaven, hell's full of the good  
All over baby, here's a big surprise  
Best believe your eyes Cover them in roses  
Cover them in lies  
Dress them up in persecution  
Best believe your eyes Six, six, six, six, six, six  
Your enemies, your demons  
Scream to get out  
Beyond the shadow of a doubt Listen to your spirit scream  
Wring your soul out until it's clean  
Well beyond the shadow of a doubt Kiss your purity goodbye  
Squeeze you tight so you won't die  
All your demons screaming to get out Hear the footsteps, feel the breath  
Good intentions lead to death  
All your enemies are looking out Well beyond the shadow of a doubt  
Well beyond the shadow of a doubt Give me your love  
Give me your money  
Give me your soul  
Let me have it honey All lined up, paint 'em red  
All lay down, praying me dead  
Here you go baby, it's a birthday surprise  
Best believe your eyes Cover them in roses  
Cover them in lies  
Dress them up in persecution  
Best believe your eyes Six, six, six, six, six, six  
Your enemies, your demons

Scream to get out  
Beyond the shadow of a doubt
