# Festival Band (feat. Gecko)

## Lewis Bootle

as i walked into the festival community
i bumed into a stupid who said sorry sir excuse me cool
i asked him for direction but then someone else must gone and just scrabed his attention cause hes a dumb one
but thats cool i'll find another someone to finish off his sentence and point me to the entrance
to the gates where they seem to scan the tickets but the dogs do the sniffin and the people arent much diffrent i
cant find my festival money i list my wallet my mate sam and its far from funny i thought this would be easier
the i list my fifty quits
