

Take Me

Trina

Advisory - the following lyrics contain explicit language:

Playa, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah Take me to a place where I gotta be sexy
Just so, I can be considered as a lady
Please, tell me why the world is so shady, baby
I wanna go to a world where I ain't gotta be a freak ho Just, so I can be noticed by people
Please, tell me if you know
Because I wanna go, wanna go, yeah, yeah Why is it lately?
These jealous hoes gotta hate me
Niggas, won't give me no space
They suffocate me I try to be myself, niggas, won't let me
They'd rather sweat me
Ice, freeze and briget me
But I ain't impressed with your hot car Nigga, I ain't got the lock jaws
I ain't fixin' to drop draw's
These niggas, chase me like a cop, cop
In and out the Char' bottle They wanna ball with a hot star
They offer me grands for one night stands
But fuck that one night plan
I'm looking for that one right man To save the day, wrap me in his arms
Take me away, late plight
Till the break in the day
Come on Take me to a place where I gotta be sexy
Just so, I can be considered as a lady
Please, tell me why the world is so shady, baby
I wanna go to a world where I ain't gotta be a freak ho Just, so I can be noticed by people
Please, tell me if you know
Because I wanna go, wanna go, yeah, yeah Take me to a place where all my girls on top
Take me to a place where all the Benzes drop top
Take me to a place where I ain't gotta trick for grands
Take me to a place where my friend won't fuck my man Take me to a place where it's women with no hoes
Take me to a place where the thugs get early parole

Take me to a place where we ball, buying cases
 Diamond faces, united with all races
 Take me to a place where ain't no chalk traces or court cases
 Or black faces on front pages
 Take me to a place where the haters don't hate
 Take me away, Lord, knows I can't wait, come on
 Take me to a place where I gotta be sexy
 Just so, I can be considered as a lady
 Please, tell me why the world is so shady, baby
 I wanna go to a world where I ain't gotta be a freak ho
 Just, so I can be noticed by people
 Please, tell me if you know
 Because I wanna go, wanna go, yeah, yeah
 Every day, I gotta let it go
 And spend the money on the one way ticket
 To a world where shit is better, yo
 I be the same but a better ho
 And do a version of Nann with Kirk Franklin for the chedda, yo
 They'll show my video on VH1, diva week
 Me, Whitney then Aretha speak
 I be on top of the world and still be a freak
 Although I'm doing my thing
 I see, I gotta eat 'cause where I'm from
 Life ain't sweet
 Take me to a place where I gotta be sexy
 Just so, I can be considered as a lady
 Please, tell me why the world is so shady, baby
 I wanna go to a world where I ain't gotta be a freak ho
 Just, so I can be noticed by people
 Please, tell me if you know
 Because I wanna go, wanna go, yeah, yeah
 Take me, take me baby
 Where I wanna go baby
 I don't wanna be a freak ho
 No more, more
 Take me, take me baby
 Where I wanna go baby
 I don't wanna be a freak ho
 No more, more
 Take me to a place where I gotta be sexy
 Just so, I can be considered as a lady
 Please, tell me why the world is so shady, baby
 I wanna go to a world where I ain't gotta be a freak ho
 Just, so I can be noticed by people
 Please, tell me if you know
 Because I wanna go, wanna go, yeah, yeah
