

Late Nights And Early Mornings

Marsha Ambrosius

Let me do you all night long
Hey, want to do it all night long, baby
Jump up out of bed take a shower then get dressed
Gotta go to work but I wanted lay with you instead, baby
Softly kiss you there, make you stay, oh yeah
I'll be coming back to you boy, you just tell me when, baby

Its gonna be a late night, early morning
When I get you home
Gonna give you good love
Give you what you wanted
Gonna do it all night long
Oh, ah, oh, ah, baby
Let me do you all night long
Oh, ah, oh, ah
Let me do it all night long

The day is almost through, all that I can think about is you, oh
The hair I done sweated out, scream you name, let it out
You are everything but the truth, oh
Shivers down my spine
When I think about the freaky things I got in mine
So I'll be on my way to give it to you baby, let me take my time

Its gonna be a late night, til the early morning
When I come on home
Its gonna be that good love, give you what you wanted
I'm gonna do it all night long
Oh, ah, oh, ah, yeah
Gonna do it all night long
Oh, ah, oh, ah, yeah
We can do it all night long
Oh, ah, oh, ah
Baby, let me do you all night long
Oh, ah, oh, ah
Let me do you all night long
Oh, ah, oh, ah
Let me do you all night long
Oh, ah, oh, ah

Let me do you all night long

Oh, ah, oh, ah

Let me do you all night long

Oh, ah, oh, ah

Let me do you all night long

Oh, ah, oh, ah

Let me do you all night long

Oh, ah, oh, ah

Let me do you all night long
