

# Come on, Come On

## Cheap Trick

Baby, feelin' so good  
Don't you ruin it tonight, tonight  
Been so long since I don't know when  
Treat me, treat me, treat me right Don't believe she's in flight of love  
Show me you really wanna be mine Come on, come on  
Well, I know you can do it  
Come on, come on  
Well, there ain't nothin' to it  
Yeah, yeah, yeah, yeah  
Well I know you believe me  
Yeah, yeah yeah, yeah  
You can see the real me Well you're the voice in my ear  
You were so lonely but now you're here  
Been so long since I don't know when  
Come on, come on, do it again Don't ever lose me 'cause you're the one  
Show me you really wanna be mine Come on, come on  
Well, I know you can do it  
Come on, come on  
Well, there ain't nothin' to it  
Yeah, yeah, yeah, yeah  
Well I know you believe me  
Yeah, yeah yeah, yeah  
You can see the real me I'm feelin' good, so good  
Don't you ruin it tonight, tonight  
Been so long since I don't know when  
Treat me, treat me, treat me right Don't believe she's in flight of love  
Show me you really wanna be mine Come on, come on  
Well, I know you can do it  
Come on, come on  
Well, there ain't nothin' to it  
Yeah, yeah, yeah, yeah  
Well I know you believe me  
Yeah, yeah, yeah, yeah  
You can see the real me Come on, come on  
[Incomprehensible]  
Come on, come on  
Those are things, little girl, I need you  
Yeah, yeah, yeah, yeah  
I need you, yeah, yeah, yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah Come on, come on  
Come on, come on  
Come on, come on  
Come on, come on  
Yeah, yeah, yeah, yeah  
[Incomprehensible]  
Yeah, yeah, yeah, yeah  
Those are things, little girl, I need you
