

# Anchor Me

## Jenny Phillips

I feel like I'm drifting  
In a starless night  
I'm barely holding on  
To the light  
I close my eyes  
I try to find thee

Anchor me  
Make me strong somehow  
When I start to leave the path  
Hold on to me  
I want to be  
Done drifting  
Anchor me

I'm longing for the wave  
Deep enough  
That wind the water pulls  
I won't move  
I want to stay  
Forever faithful

Anchor me  
Make me strong somehow  
When I start to leave the path  
Hold on to me  
I want to be  
Done drifting  
Anchor me

Holy one  
It's time  
I come to thee

Anchor me  
Make me strong somehow  
When I start to leave the path  
Hold on to me  
I want to be  
Done drifting

Anchor me
