

Don't Get off That Train

Tony Blackburn

Weâ€™re coming to the station now but donâ€™t get off that train
This is where she broke your heart and this town brought you pain
Stay on, itâ€™s almost time, itâ€™s just around the bend
And then this train is gonna stop

Donâ€™t you move, just keep your seat, now donâ€™t get off that train
She left you for someone else here, let the heartaches fade
Stay on, itâ€™s almost time, itâ€™s just around the bend
And then this train is gonna stop

You know you can never return to the love that you once knew
As she wonâ€™t be on the platform waiting for you
Like she used to do

Weâ€™re slowing up along the track, now donâ€™t get off that train
Hereâ€™s the town, now donâ€™t turn back, youâ€™ll try if you remain
Stay on, you know sheâ€™s gone, so donâ€™t get off that train
Stay on and soon the pain will stop

Stay on, you know sheâ€™s gone, so donâ€™t get off that train
Stay on and soon the pain will stop
Will stop, will stop, will stop, will stop
