

Goodnight, My Love

Ella Fitzgerald

Goodnight my love
The tired old moon is descending
Goodnight my love
My moment with you now is ending It was so heavenly, holding you close to me
It will be heavenly to hold you again in a dream
The stars above have promised to meet us tomorrow
'Til then, my love how dreary the new day will seem So for the present dear, we'll have to part
Sleep tight my love
Goodnight my love
Remember that you're my sweetheart
