

Step Up

Drowning Pool

One, two, three, goBroken
Yeah, you've been living on the edge of a broken dream
Nothing
Yeah, that's the only thing you'll ever take away from meI'm never gonna stop and never gonna drop
Ain't no different than it was before
So take some good advice, you better stop and think twice
Before you take your first step out that doorIf you wanna step up
(Step up)
You're gonna get knocked down
(Knocked down)
If you wanna step up
(Step up)
You're gonna get knocked downYou had your chance to walk away
Live to see another dayIf you wanna step up
(Step up)
You're gonna get knocked down
(Knocked down)
You're gonna get knocked downSuffering
Yeah, that's the only thing here that's left for you
Nothing
Yeah, that's the only thing you're ever gonna, can doI'm never gonna stop and never gonna drop
Ain't no different than it was before
So take some good advice, you better stop and think twice
Before you take your first step out that doorSo if you wanna step up
(Step up)
You're gonna get knocked down
(Knocked down)
If you wanna step up
(Step up)
You're gonna get knocked downYou had your chance to walk away
Live to see another dayIf you wanna step up
(Step up)
You're gonna get knocked down
(Knocked down)
You're gonna get knocked down
You're gonna get knocked downAnd now you've crossed that line
You must be out of your mind
GoIf you wanna step up
(Step up)

You're gonna get knocked down
(Knocked down)
If you wanna step up
(Step up)
You're gonna get knocked down You had your chance to walk away
Live to see another day If you wanna step up
(Step up)
You're gonna get knocked down
(Knocked down)
You're gonna get knocked down You're gonna get knocked down
(Step up)
You're gonna get knocked down
You're gonna get knocked down
(Step up)
You're gonna get knocked down
