

Prayers for Rain

The Cure

You shatter me your grip on me a hold on me so dull it kills
You stifle me infectious sense of hopelessness and prayers for rain
I suffocate I breathe in dirt and nowhere shines but desolate
And drab the hours all spent on killing time again all waiting for the rain You fracture me your hands on me a
touch so plain so stale it kills
You strangle me entangle me in hopelessness and prayers for rain
I deteriorate I live in dirt and nowhere glows but drearily and tired
The hours all spent on killing time again all waiting for the rain You fracture me your hands on me a touch so
plain so stale it kills
You strangle me entangle me in hopelessness and prayers for rain Prayers for rain
Prayers for rain
Prayers for rain
