Me-jane

Pj Harvey

Damn your chest beatin', just you stop your screamin'
Splittin' through my head and swingin' from the ceilin'
Move it over Tarzan, can't you see I'm bleedin'
I've called you by your first name, good Lord it's Me-Jane
I'm callin' split head
And I'm movin', Me-Jane, Me-Jane
Damn your chest beatin', just you stop your screamin'
All the time you're huntin', swimmin', fishin', breathin'
Don't you ever stop and give me time to breathe in
I've called you by your first name, good Lord it's Me-Jane
I'm runnin' split head
And I'm movin', Me-Jane
And I'm tryin' to make sense
You're screamin'
Don't ruin it on me
Don't ruin it on me
Don't ruin it all on me
Tarzan, I'm pleadin' stop your fucking screamin'
You've got me, many walls around him, don't you see it
Oh move it over Tarzan, can't you see I'm bleedin'
Good Lord you never stop
Don't ruin it on me
Don't ruin it on me
Don't ruin it on me, yeah
Don't ruin it on me, Jane
Don't ruin it on me, Jane
Don't ruin it on me, Jane
Don't ruin it on me, Jane
Don't ruin it on me, Jane
